Partial Sale of Investment

BWA announces that it has raised approximately GBP 30,000 through the disposal of 10,909,090 shares in one of its investee companies, Prego International Limited ("Prego"), at a price of 0.275p per share (the "Prego shares"). 5,454,545 of the Prego shares were sold to Richard Battersby, BWA's Chairman, for a consideration of approximately GBP 15,000.

The Company received the Prego shares for nil consideration in December 2012 and, following this disposal, BWA remains interested in an additional 34,090,910 Prego shares. The Directors are confident that they will be able to achieve further value for shareholders from the Company's investment in Prego in due course.

The proceeds of this disposal will be used for working capital purposes.

The Directors of BWA recognise that trading in the Company's shares on the ISDX Growth Market remains suspended and will provide shareholders with an update on this situation as soon as possible.

The Directors of BWA are responsible for the contents of this announcement.
